PRIVATE USE AND HOBBY DECLARATIONS:

We outline for your information the following as a prerequisite for the GST system. Below, you will find a 'Statement for withholding tax', to be completed.

We have prepared this pro-forma Statement for distributors who DO NOT QUOTE AN ABN. This Statement is most important if you expect to receive total monthly GROUP SALES bonuses (i.e. LINK or BREAK AWAY) of \$50.00 or more.

Upon receipt of a signed 'Statement for withholding tax', Tri Nature Pty Ltd **WILL NOT BE REQUIRED**, under the Pay As You Go (PAYG) system to withhold 48.5% of your monthly group sales bonus.

The statement relates to the supply by you of your services under your Membership Agreement with Tri Nature and should be submitted to Tri Nature Pty Ltd to comply with ATO guidelines if:

- you are an individual and the supply is wholly of a private or domestic nature
- OR**
- the supply relates to a private recreational pursuit or hobby (and does not have the characteristics of a business)

The Statement need only be provided to Tri Nature ONCE. If your circumstances change, however, the ATO requires that you revoke the Statement in writing as soon as practicable.

Please note, this is a recommended format for the Statement only. For advice concerning your individual circumstances, please contact your Taxation adviser or the Australian Taxation Office.

STATEMENT FOR WITHHOLDING TAX: (MUST be completed if you do not have or quote an ABN)

As per the pay as you go guidelines produced by the Tax Office, I provide this statement to explain why I have not quoted an ABN for the current and future supply of my services to you. You should not withhold an amount from the payment you make to me for the supply. I agree to advise you in writing if circumstances change to the extent that this statement becomes invalid.

Please tick an appropriate box below: **TICK ONE BOX ONLY**

The supply is made to you in my capacity as an individual in the course of an activity that is a private recreational pursuit or hobby.	<input type="checkbox"/>
The supply is made to you in my capacity as an individual and is wholly of a private or domestic nature for me.	<input type="checkbox"/>
I am a non resident who is not carrying on an enterprise in Australia.	<input type="checkbox"/>
The whole of the payment I will receive for the supply is exempt from income tax.	<input type="checkbox"/>
I have no reasonable expectation of profit or gain from the activity and consider that I do not meet the definition of enterprise for tax purposes.	<input type="checkbox"/>
