

A technologically advanced fresh, modern and highly effective personal deodorant for contemporary lifestyles.

- New "fluid emulsion" technology produces a stable, water thin cream that acts as a gentle emollient and skin conditioner.
- Sensu now provides the gentlest deodorant protection on the market.
- Contains no aluminium salts.
- Non irritant natural based fragrance.
- Soothing moisturisers and low alcohol content (9%) provide gentle protection.
- Unique 'activity boost on demand' technology supplies freshness for up to 24hrs.
- A spectrum of plant based additives slow perspiration production and absorb odour.
- Rich in skin nourishing emollients, protective vitamins and historically proven plant extracts.
- A superior alternative for the whole family.
